

COMPETITION OVERVIEW

Competition may take place over several weeks depending on the number of competitors entered. Competitors will be contacted by the Awards Chairperson regarding scheduling and details of the competition.

Winners will be announced during the annual Award Show. They will be eligible to represent New Hampshire Country Music Association at the Northeast Invitational Country Showdown, as well as the national North American Country Music Associations, International (NACMAI) competition to be held in Pigeon Forge, Tennessee. Winners will hold the NHCMA title for one year.

Rules

1. The Awards Committee of the NHCMA reserves the right to reject any entry deemed not in the best interest of the Association's goals. All entrants must be 21 or older for the adult competition, and all youth ages 3 to 20 years are welcome. All applicants under 21 years of age must have a parent/guardian sign the bottom of the entry form. A parent/guardian must accompany competitors under 18 years of age. All participants in the competition must be members of the NHCMA.
2. Competition will be held in as many geographic areas of the state as possible dependent upon the number of applicants.
3. Any one person can enter into more than one category (i.e. vocalist, entertainer), but each category will be performed and judged separately. Once a category is entered, no changes will be made to that entry. There will be no exceptions made to this rule due to our scheduling. Performances may include more than one song as time limits allow.
4. Each competitor will be allowed eight (8) minutes to perform. The time will start at the moment the competitor starts singing or performing. At seven (7) minutes and (30) seconds, the timekeeper will flash a light alerting the performer that thirty (30) seconds remains in their act.

Penalties will be assessed for any performer who goes over their allotted (8) minutes. The penalties will be as follows:

- 5 seconds overtime=1 point
- 6 seconds overtime=2 points
- 7 seconds overtime=3 points
- 8 seconds overtime=4 points

For overtime greater than (8) seconds, an additional total of (1) point will be deducted per second.

5. Performers may choose to either use their band to back them or background accompaniment on a CD without lead vocals on it. Your selected songs should be the only songs in proper order on one CD. All performers who enter as an individual performer will be judged on **ONLY THEIR INDIVIDUAL** performance, not the performance of the band behind them; and are not to interact with the band since the band is not really there in the eyes of the judges.
